Docket No. 98N-1265 3 '99 APR 19 4 59
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

My compounded prescription
relieves my symptoms and makes it possible
for me to live normally throughout the month.

I have used compounded natural hormones to
protect against miscarriage.

My compounded medication alleviates symptoms
that were previously debilitating such as depression,
sleeplessness, and anxiety.
